## Faith on the Frontline

What a great idea! She took the initiative when she realized that there are 300,000 Catholic troops and only 280 Catholic chaplains. Perhaps we can offer her some content, too? Sr Anne Joan

[http://www.ncregister.com/register\\_exclusives/frontline-faith/](http://www.ncregister.com/register_exclusives/frontline-faith/)

Putting her media smarts and contacts to work, the Lakeway, Texas, mother of six put together a package of Catholic programming for MP3 players that soldiers could carry with them. She launched an organization, Frontline Faith, to raise funds and produced the first run of 1,000 MP3 players to go into the hands of Catholics in hospitals and those awaiting deployment.

Supporting her is the Archdiocese for the Military Services, which serves Catholic servicemen and women, their families and Catholic chaplains. Its archbishop, Timothy Broglio, is on the MP3 twice, celebrating Mass at the Basilica of the National Shrine of the Immaculate Conception in Washington, D.C., and, later in the program, preaching at the same place.

### WELCOME!

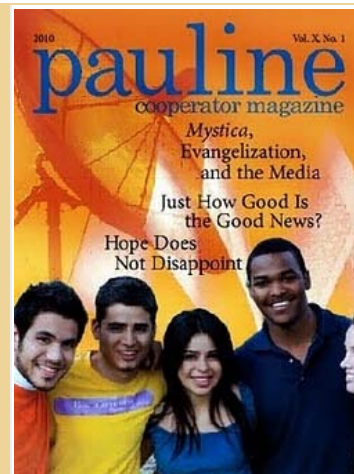

Who are we? Born of the prophetic intuition of the Blessed Fr. James Alberione in 1917, we are an association of laity living the Pauline charism. Pauline Laity strive to live Christ as Paul lived Christ, so that it is Christ who lives in us. Our expression of the pastoral mission is witnessing faith in every dimension of life in a world of communication.
