## FRONTLINE FAITH @ SCS

Written by Christopher Werner  
Friday, March 04 2011

#### Here are two facts you probably didn't know:

There are 300,000 Catholics serving in our U.S. military.  
There are 281 Catholic Chaplains currently serving our troops.

This means Catholic soldiers can go 7 to 9 months without participating in Mass or hearing words of encouragement from a chaplain. Think about it . . . how lonely would you be deprived of Mass or the Eucharist from now until December?

The Knights of Council 9923 want to do something about this and they need your help.

Their FRONTLINE FAITH™ Project delivers MP3 players preloaded with spiritual content to armed forces currently deployed or returning from deployment. These players provide almost 7 hours of spiritual content, including an audio rendition of the Mass; various homilies; prayers just for those serving, a recitation of the Warrior Rosary; Christian music; prayers from children; and testimonies from soldiers in their own words about their own struggles and victories in their faith journeys.

There is more information on how you can help available in the Narthex.
